LIMBO/NEATO 2008-2009 TTT Directory

**2008-2009
TRANSPORTER TOURIST &
TRAVELER DIRECTORY**

This is the combined Transporter Tourist & Traveler Directory for the Northeast Association of Transporter Owners (NEATO) and the Late Model Bus Organization, international (LiMBO). Listed in this Directory is information supplied by some of the members of NEATO and LiMBO who offer assistance to other members in the event of breakdowns, emergencies, and also to offer fellow members the chance to call or visit with other members of these clubs in non-emergencies (sometimes a talk or visit with a friendly fellow bus owner can make a trip much more fun and rewarding!).

Please respect the wishes of these individuals, and call only during the times listed—unless you have made other arrangements in advance. Also, do not assume that if someone is listed that they intend to provide services for free. Some of the listings are for service shops or parts stores.

Use of this Directory is open to all members of NEATO and LIMBO, and only members of these clubs (and their traveling companions). NEATO and LiMBO publish this Directory as a service to their members, and members trust that they will get calls only from other members. It is inappropriate for non-members to benefit from a service provided by clubs that they do not support.
